

Grease Clumps in the Pump

It was brought to the council's attention that we have large clumps of grease accumulating in the sewer transfer stations (pump houses). Please DO NOT dump grease, bacon fat, oils, gravy, etc. down your drain. It clumps together causing back-ups and breakdowns.

Election Day 2018

The Mayor's office and two City Council positions will be on the ballot this fall. Council members serve for 4 years and the mayor for 2 years. Anyone interested in running for office should complete the application at the city clerk's office and pay the \$2.00 filing fee before August 14, 2016, with the election on Tuesday, November 6, 2018.

Fall Clean Up

YES, it's still summer, but Fall is just around the corner. When you rake and clean your yard, bagged leaves and bundled branches/sticks can be placed at the curb for pickup by the city workers.

You can also take your leaves and branches to the city dump site located 1.5 miles west of Onamia. Remember to **remove any trash or garbage** before setting it on the curb or dumping it.

Ball Field Update

The Soo Line Field is coming along nicely. It will be finished this summer. There are still T-shirts, Sweatshirts and Jackets available to help fund the project at Hardware Hank. You can also make a personal donation anytime at City Hall.

Appliance Recycling

Maintenance Supervisor Gene Falconer has a resource for the recycling of household appliances. He can be reached at the city shop 532-5322.

Mercury Technologies of MN recycles TV's, computer towers and monitors. Contact Marge Agnew for more information and fees.

Be a "Friend" for Just \$15 a year!!

Did you know you can be a member of the Onamia Area Friends of the Library for only \$15 a year, \$25 for a family? Their Annual meeting is Thursday, August 23rd at 7 pm. Everyone is welcome. Back by popular demand, Tom & Sue Dominik will provide musical entertainment. Refreshments will be served.
