

Spring Clean Up

Spring is here! Finally! Let the clean-up begin!! City workers will be sweeping the streets soon. Watch for them and park your vehicle in your yard or around the block until they sweep your street.

When you rake and clean your yard, bagged leaves and bundled branches/sticks can be placed at the curb for pickup by the city workers. Please **remove the trash and garbage** before bagging the leaves.

Grass clippings and leaves can be left in the fenced area to the west of the creamery building. Branches and brush can be hauled to the city dump site located 1.5 miles west of Onamia. Remember to **remove any trash or garbage** before dumping it. Thanks!

Appliance/TV Recycling

Maintenance Supervisor Gene Falconer has a resource for the recycling of household appliances. He can be reached at the city shop 532-5322.

Mercury Technologies of MN recycles TV's, computer towers and monitors. Contact Marge Agnew for more information and fees.

Pet Reminder

Just a reminder: When your pets are outdoors they need to be fenced or chained. When walking your pet, they need to be on a leash or under control with an electronic collar. Pets running loose may be impounded, resulting in fines impounding fees and boarding costs. Finally, you are responsible to pick up after your pet when they use someone else's yard/sidewalk as a restroom. Let's keep our pets safe and our neighbors happy.
